Subject: Estate of Kenneth Blaisdell v Trini Brassard et al. (Discovery Responses)

Afternoon,

I am writing to inquire about your clients' discovery responses. Our client sent interrogatories and request to produce to your client on September 29, 2023.

Your responses are obviously well past the 30 day deadline imposed by our local rules, even with the extension we assented to last fall. At this point we are hoping responses will be forthcoming, but if you would like to schedule a discovery conference let us know.

Thank you,
Beth
