MOTION TO CONTINUE OR IN THE ALTERNATIVE APPEAR BY WEBEX

Now comes Defendant Courtney Brassard, by and through her attorneys, Davis Steadman Percy & Sluka LLC and respectfully files this motion to continue the motion hearing scheduled for March 24, 2025, or in the alternative allow the participants to appear remotely. In support thereof the following is offered:

The parties have had a number of modified dates for depositions. The latest, though unworkable, was for April 1, 2025. With the notice of this deposition came the request for documents, which was set a deadline of March 25, 2025, a day after the hearing is scheduled on this production. See attached Subpoena for Deposition Duces Tecum.

None of the parties whom Plaintiff is seeking to depose on April 1st are available on that date and it is the understanding of the undersigned that an alternative date is being sought which will include an alternative date for the documents requested.

The undersigned has prepared responses to the requests and has forwarded an unsigned Copy to the Plaintiff after Defendant Courtney Brassard reviewed the responses. A signed version will follow shortly. The majority of the information sought is already in the possession of the Plaintiff.

The undersigned also made a calendar oversight which resulted in travel arraignments that will have him outside of the state on Monday the 24th.

A request for continuance or consent to appear remotely was forwarded to the attorneys for the Plaintiff but as of this filing my response has been received.

Wherefore it is respectfully requested that the hearing on the 24th of March be continued or in the alternative provide that the parties be permitted to participate by Webex.

Dated at White River Junction, Vermont this 20th day of March 2024.
