CIVIL DIVISION
Case No. 23-CV-02848

John Durkee, Executor of the Estate of H. Blaisdell, Jr. v. Trini Brassard, et al

ENTRY REGARDING MOTION

Title: Motion to Reconsider (Motion: 16)
Filer: Daniel Brassard
Filed Date: March 05, 2025

The motion is **DENIED**.

Defendant Daniel Brassard has filed a motion to reconsider concerning his motion to have his 13 Requests to Admit deemed admitted. The Court has reviewed Defendant Brassard's February 28, 2025 filings and finds no basis in them to alter its March 1, 2025 decision. For these reasons, the Motion to Reconsider is **Denied**.

Defendant also reports that he has complied with his outstanding discovery interrogatories and asks that the March 24, 2024 hearing in this matter be cancelled.

Given the discovery issues that have plagued this case, the Court will decline Defendant's request, but it has granted the parties the ability to appear remotely. In light of Defendant's representations, the Court envisions Monday's hearing to be an opportunity to confirm that Defendant's discovery has been completed and to understand what issues remain before the present case is ready for either mediation or trial.

So Ordered.
