Dan, this cannot be a serious request, but if it is, we reject it.

Also, please copy Elizabeth Willhite on all correspondence; you are well aware of her role in this case and your persistence in cutting her out of email communications is neither appropriate nor well-received.

In the dropbox folder "JBHH" you'll find the bank Statements for Brassard Sugarworks and Maple Supply LLC from opening till DOD, Also attached is an invoice for providing said material that I was charged by my bank. Once you guys have gone through it multiple times and still can't find anything, I'd like a refund for providing these documents to further prove your false accusations of the "mysterious hay money" that is just a fictional tale cooked up by Jon and Thad.

Thanks

Dan
