

# FY2026 → FY2027 Randolph Tax Appropriations by Fund

HOW EACH FUND'S TAX LEVY CHANGED — AND WHERE THE LIBRARY STANDS

## Dollar Change in Tax Levy, FY26 → FY27 (As Warned)

## Percent Change in Tax Levy, FY26 → FY27 (As Warned) — Ordered by Magnitude

■ All other town funds   ■ Library Fund (Selectboard-modified)

Every other fund in the Randolph town budget saw its tax levy increase in FY27 — the Police District by **34.9%**, the General Fund by **7.7%**. The Library Fund figure shown is the budget the Selectboard modified before placing it on the Town Meeting warning — not the budget the trustees established. Even that reduced figure was essentially flat: **down \$250, or -0.1%**. It was the only Town Meeting article to fail.
